CLIENT EVENING TALK 'STRANGLES AWARENESS'

Date: Wednesday 21st March 2012

Venue: Wellingborough Museum

Time: 7pm for 7.30pm start

Speaker: Pat Daly MRCVS

Due to the high level of concern regarding strangles at the moment, we have decided to hold a meeting on the above date. As this is short notice we are only sending posters to large yards so please see our Facebook page and spread the word. If you are worried please come along as we will try our best to inform you and answer any questions.

Our talk the following week will still go ahead.
